BIO

Talia Tucker (she/her) is a young adult author who has spent her life investigating how identities shift and change between geographies, time, and cultures. Her Jamaican and Korean heritages inspire her to build worlds highlighting multiracial, queer, and neurodivergent characters of color within narratives that emphasize joy, something not typically centered in marginalized stories. She enjoys writing about messy women, soft boys, family, food, and trying to navigate the world as a child of multiple cultures.

Talia's debut novel *Rules for Rule Breaking* is out March 2024 from Kokila, an Imprint of Penguin Random House. You can find her on Twitter and Instagram @taliatuck and on her website www.talia-tucker.com.
